

FACIAL TREATMENTS

Chester Health and Beauty Studio's range of treatments is comprehensive and includes not only the classic 'facial by hand' but also innovative equipment based treatments, such as microdermabrasion and lasers. We offer a choice of both natural and medical products for your skin treatment. Our experienced therapists are able to discuss and recommend treatment for skin conditions such as acne, hyper-pigmentation, fine lines, loss of tone, blemishes and scars.

A free consultation is available.

FACIAL BY HAND

Using natural products selected for your skin type - a real pampering experience £38.00

MEDICAL CHEMICAL PEELS

Medical Chemical Peel £68.00
With Microdermabrasion £88.00

Medical Chemical Peels are exceptionally deep and remove the outer dead layers of skin without making your skin photosensitive or scaly. They are appropriate for aging, acne and hyper-pigmentation and produce outstandingly radiant and rejuvenated skin.

MICRODERMABRASION

Face and neck £49.50
Face, neck and chest £57.00

Mechanical exfoliation which reduces the appearance of fine lines, wrinkles and scarring. Microdermabrasion also improves skin tone and texture.

N-LITE LASER

(Chester Laser Aesthetics)

Laser treatments are available from our CQC registered therapists. Our lasers are FDA approved for acne, acne scars, thread veins, rosacea and skin rejuvenation.

Prices on request.
